

O-1094-24

TRADE MARKS ACT 1994

SUPPLEMENTARY DECISION

**IN THE MATTER OF TRADE MARK REGISTRATION NO. 3333445 IN THE NAME
OF KARIM ZIGHECHE IN RESPECT OF THE TRADE MARK**

IN CLASS 43

**AND IN THE MATTER OF INVALIDATION PROCEEDINGS THERETO UNDER
NO. 504463 BY BIMS AFRICAN FOOD STORE LIMITED**

1. On 18th November 2024, I issued my decision (BL O-1091-24) in respect of application for invalidation 504463. Paragraph 77 of that decision erroneously recorded an incorrect outcome to the proceedings. This paragraph should have read as follows:

“77. Party B’s application succeeds in its entirety and Party C’s mark is invalidated.”

3. This supplementary decision corrects this clerical error and replaces the original paragraph 77 wording with the wording set out above.

4. The issuing of this supplementary decision does not impact upon the appeal period.

Dated this 19th day of November 2024
